

Let's face it, working out can be healthy, rewarding, beneficial... working out can be lots of things, but it's never been known to be much fun... UNTIL NOW!

Zumba fuses hypnotic musical rhythms and tantalizing moves to create a dynamic workout system designed to be FUN and EASY TO DO!

Our goal is simple: We want people to want to work out, to love working out, and to get hooked. By integrating Zumba into everyday life, individuals may achieve long term benefits while experiencing an absolute blast in one exhilarating hour of caloric burning, heart racing, muscle pumping, body energizing movements meant to engage and captivate for life!

The routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat. Add some Latin flavor and International zest into the mix and you've got ZUMBA!

In the past years, Zumba has become nothing short of a revolution. Coining the concept of "fitness-party" and making fitness fun, Zumba has spread like wild-fire, and has positioned itself as the single most influential movement in the industry of fitness.

As of February 2008, Zumba has sold over 3 million DVD's, accrued more than 11,000 instructors in thirty-five countries, and has a whopping 2 million students practicing Zumba on a weekly basis.

Why? Because it's the best party around!
